Summary

Hello, I'm Devesh Pandey, a passionate and detail-oriented Computer Science student at Shambhunath Institute Of Engineering And Technology. I'm an aspiring IT professional with a keen interest in Web Development and Cyber Security.

Skills: Proficient in Python, PHP, React, HTML, CSS, JavaScript, SQL, and C language. Experienced in web security, VAPT, and network scanning. I thrive in collaborative environments, and my leadership and teamwork skills have been honed through various academic and extracurricular achievements.

Projects: I've contributed to the development of the secure website "thinklay.com" and actively engage in hands-on projects to apply and enhance my skills. Currently, I'm exploring new technologies and working on exciting web development projects.

Experience: Currently interning as a Software Development Engineer at Bluestock Fintech. Solving 120+ questions on LeetCode and honing my coding skills.

Connect with Me: I'm open to networking with fellow enthusiasts, professionals, and anyone passionate about technology and cybersecurity. Let's connect and explore opportunities together!

Experience

Bluestock Fintech

SDE Intern

July 2024 - August 2024 (2 months)

- Developed an IPO web application and REST API to provide IPO-related information.

- Conducted thorough testing of features using Postman and ensured data security and integrity.
- Contributed to the project by writing quality code, testing features, and ensuring data protection and integrity.

Chaitanya Cyber Strix Technologies Pvt Ltd
Web Application Pentesting Internship
October 2023 - February 2024 (5 months)

Institute's Innovation Council || MNNIT Allahabad
Cohort 1.0
January 2024 - January 2024 (1 month)
Prayagraj, Uttar Pradesh, India

- Secured the 3rd position into a prestigious event organized by the Institution's Innovation Council (IIC) at MNNIT ALLAHABAD.
- Competed against numerous teams, standing out with a top-tier solution, and contributing significantly to the event's success.

UNITED COLLEGE OF ENGINEERING AND RESEARCH,
GREATER NOIDA
Hackathon
September 2023 - October 2023 (2 months)
Prayagraj, Uttar Pradesh, India

Thrilled to announce my achievement in the recent hackathon! I'm humbled to have secured a position in the top 10 among incredibly talented participants.

This experience pushed me to explore new technologies, solve complex problems, and collaborate effectively with my team. It's a testament to the power of innovation and teamwork!

Internshala Trainings
Ethical Hacking
July 2023 - August 2023 (2 months)

The training consisted of Basics of Information Security and Computer Networking, Information Gathering and Basics of Web Development, Introduction to Web VAPT, OWASP and SQL Injections, Advanced Web Application Attacks, Client Side Attacks, Identifying Security Misconfigurations and Exploiting Outdated Web Applications, Automating VAPT and Secure Code Development, Documenting and Reporting Vulnerabilities, and The Final Project modules.

Education

SHAMBHUNATH INSTITUTE OF ENGG AND TECHNOLOGY ,
ALLAHABAD

Bachelor of Technology - BTech, Computer Science · (August 2022 - August 2026)
